NOTES AND DEFINITIONS

Employer or Institution: enter the company or educational institution you worked for. If the experience isn't employment, enter the educational institution, society, association who you volunteered for or participated in.

Project Name: enter the name of the project and a general location

Permit Number: if the project was permitted, enter the permit number. If you don't know what the permit number is, enter "unknown". If the project was not permitted, enter "non-permitted".

Excavation/Monitoring: enter number of days on controlled excavation at archaeological sites by evaluative unit, academic excavation or mitigative excavation. Also enter any days monitoring at archaeological sites.

Survey: enter number of days on pedestrian traverse and subsurface testing for archaeological sites.

Office/Lab: enter number of days spent in the office and lab (reporting, data entry, site forms, core counting, communication, artifact cataloguing, etc)

Instructor: enter any days instructing archaeological concepts at an educational institution, workshop or other informative situation.

Total per Project: enter the total number of days claimed in the 4 cells to the left, giving a total number of days experience per project.

Role: enter your role on the project. Examples could be permit holder, supervisor, assistant, instructor, teaching assistant, student, volunteer, etc.

In BC? (Yes/No): indicate whether the project was in BC or not. At the bottom of the column, indicate total number of days experience in BC.

Totals: enter the total number of days for each of the following columns: Excavation/Monitoring; Survey; Office/Lab; Instruction; Total per Project; and In BC?
